

Built Environment Education©

BEE*now* is a voluntary certification program that inspires architecture schools to emphasize the teaching of sustainability, preparing graduates to substantially contribute to low-carbon building design.

Form D – Appeal Request Form

Use this form to appeal a decision by BEE*now* not to accept the documentation uploaded for a particular point. This form must be filled out and uploaded separately for each point being appealed. Name each file upload based on the following format: InstitutionName_FormD_PointNumber (e.g., If ASU, "ASU_FormD_1.1.1").

Form Information

Name of School:

Name of Point:

Point Number:

Explanation of why BEE*now* should reconsider the rejection of any documentation uploaded for a particular point:
